

Create an Outdoor Christmas Container

Add a touch of Christmas to your front step or patio this year

Why put your flower pots away for the winter?

Learn to create outdoor Christmas containers as stunning as your summer ones. Katherine and Heather will show you how to use different types of greenery and other décor items in an outdoor arrangement for the holidays.

WORKSHOP COST: The fee is \$95 .00 + GST for the class and all materials for creating one container. If you want to make a second matching container the fee is an additional \$60.00 + GST.

DETAILS: You'll create your masterpiece in a plastic insert that you drop into your own container at home. The insert is approximately 12" across the top and 14" deep. If the container you have in mind isn't quite big enough to fit the insert and you want to bring it in with you please let us know.

LOCATION: Classes will be held at Anything Grows Garden Store in Cochrane. 209 River Avenue Cochrane

DATES: Saturday Nov. 26 from 9:30 to 11:00am

HOSTS: Your hosts are Katherine Kinch of Your Space By Design and Heather Jones of Derwen Horticultural Services.

REGISTRATION: Please register by Nov. 22 so we can be sure to have enough material for you. Register by calling Heather at 403-869-3185 or Email Katherine@yourspacebydesign.com
